*Hon*

*Dr Ignaz Goldziher*

*VII Holligasse 4  
Buda Pest*

*Hungary*

Cambridge 21 July

Dear Dr Goldziher

The change in your proposed communication has been duly noted, & also your commission from the Hungarian Academy of Sciences. I do not know that there is much reason for securing rooms before hand in London. But if you wish any help in the matter I shall be glad to serve you

Yours ever W R Smith
